I am reaching out on behalf of the Knights of Columbus Toy Drive and the Shriners Hospitals for Children (with a branch in London Health Science underway), non-profit organizations dedicated to helping children. We are hosting a joint Charity Casino on February 15, 2025 at the Columbus Conference Centre in Waterloo. As part of our event, we are hosting prize tables and are seeking prizes from generous supporters such as yourselves. Your contribution will help make our event a success and ultimately benefit the children of Waterloo Region in need.

We are grateful for any prize, large or small, and can accept items such as:

- Gift certificates
- Merchandise
- Experiences (event tickets, wine tasting etc.)
- Services (spa treatments, consulting services etc.)

In recognition of your participation, we would be happy to provide the following acknowledgements:

- Event program recognition
- Social media shoutouts
- Event day announcements
- Random draws throughout the evening

Thank you for your time. Your support will make a meaningful impact on our organizations and the community we serve.
